

OLYMPUS

True to Life

At Olympus Our Purpose is making people's lives healthier, safer and more fulfilling.

This is our story.

For more than 100 years, our efforts at Olympus have focused on making people's lives better. We are passionate about the medical technologies and solutions that we bring to the world that help detect and treat disease. We're invested in great ideas that serve you and the vibrant communities around us.

Our Core Values

Our Core Values are shared among all global Olympus employees and are reflected in everything we do at Olympus. We approach all of our work with patient focus, integrity, innovation, impact, and empathy.

PATIENT FOCUS

We put patients at the heart of everything.

INTEGRITY

We do the right thing.

INNOVATION

We look for new ways to make things better.

IMPACT

We take accountability and get things done.

EMPATHY

We care for one another and work together.

Medical Technologies

As a leading medical technology company, Olympus' Medical business uses innovative capabilities in medical technology and precision manufacturing to deliver advanced diagnostic, therapeutic, and minimally invasive procedures to healthcare professionals. Our solutions can help improve clinical outcomes, reduce overall costs, and enhance the quality of life for patients.

Olympus' Medical portfolio includes endoscopes, laparoscopes, and video imaging systems, as well as surgical energy devices, system integration solutions, medical services, and a wide range of endotherapy instruments for endoscopic and therapeutic applications. Board Structure and Diversity

Health Equity

With the efforts of our Community Affairs, Medical Educational Grants, and Diversity, Equity and Inclusion initiatives, we have made commitments to advance Olympus' position on Health Equity. Through event sponsorship and educational support programs lead by Olympus leadership, our efforts aid in the advancement of equitable opportunities and achieving social change.

Medical Education Grants

Olympus' Grants program vision is to improve patient outcomes by elevating the delivery of and access to care in the Americas. We aim to remove barriers.

Colorectal Cancer Awareness

Through Olympus partnerships with the Colon Cancer Coalition and Colorectal Cancer Alliance, we aim to bridge gaps in racial health disparities.

Diversifying the MedTech Industry

The medtech industry serves many millions of people globally but suffers from the lost learnings and insights from persons of color. At Olympus, we are helping to advance diversity in the industry through sponsorship of important initiatives.

Diversity, Equity & Inclusion Areas of Focus

We focus on these three pillars in the work that we do to advance our company along our Diversity, Equity, and Inclusion journey.

Build a Diverse, High-Performing Workforce

Cultivate a Collaborative Work Environment that Empowers all Employees

Embed DEI into our Culture to Create a Healthy Organization

We offer a holistic employee experience supporting your personal and professional well-being through meaningful work, equitable offerings, and a connected culture.

Employee Giving & Volunteering

At Olympus, social responsibility means community involvement. It means caring about our friends and neighbors. It means giving back locally and giving back on a nationwide scale. Our employees work to support people in need within the communities we call home by focusing on the nonprofit organizations they care about most. In return, Olympus supports their efforts, allowing us to build meaningful community partnerships and assure that we are addressing the critical needs of local organizations.

Volunteer Time Off

Employees can use up to 16 paid work hours a year to volunteer with their favorite nonprofits through Olympus partnerships with local organizations.

Double Your Dollars Donation Matching

Employees can double their charitable impact—we match employee donations to qualified nonprofits dollar for dollar.

Dollars for Doers

When employees volunteer non-work time to qualified nonprofits, we contribute \$10 for every hour they serve.

Olympus helps support people in need within the communities we call home by focusing on select nonprofit groups located near our corporate locations.

Community Drives & Fundraising

Every year, we provide thousands of school supplies and hundreds of backpacks to kids in need as part of Olympus Back to School Drives. Our employees donate money to supply local food banks with fresh food as well as over a thousand holiday gifts to support their less fortunate neighbors. Through walk/run challenges and fundraising cause color days our employees help support awareness for medical issues relating to our core medical focus areas; GI (colorectal cancer), Respiratory (lung health and lung cancer) and Urology (bladder cancer and BPH).

Charitable Giving

At Olympus, we are true to our communities and employees. Our philanthropic endeavors enable us to demonstrate meaningful support for local charitable and civic activities. Through ongoing engagement with our employees and valued stakeholders, Olympus develops targeted initiatives designed to maximize the awareness impact of our current medical focus areas.

Our employees actively engage in school supply, hygiene and gift drives, bringing comfort and smiles to even the youngest of recipients.

Our employees play the largest role in our success.

We are committed to establishing a company culture founded on our Core Values of Patient Focus, Integrity, Innovation, Impact and Empathy.

We remain true to our mission of making a meaningful impact in the communities we serve with our community partnership programs.

Employee Testimonials

Since joining Olympus five years ago, I have had the opportunity to work in an international and culturally diverse environment. I feel very proud to work for a company that makes a difference in people's lives every day and truly believes their employees are their greatest asset. This is a very exciting time to be working at Olympus as we're transitioning into a more global organization."

- MAGDA RICO (MIAMI, FL)

I have had 10 amazing years at Olympus! Olympus advocates Work-Life Balance for their employees and I have experienced this first-hand. I have always been empowered to be a valued employee in addition to being an involved parent and that is extremely important to me."

- CORINNE GERDES (CENTER VALLEY, PA)

The African American ERG has been able to make an impact both within and outside the walls of OCA. Being able to impact the communities we live in and show that Olympus supports and cares about people is a huge deal."

- TANISHA HEARD (CENTER VALLEY, PA)

One of the many Olympus employee programs and perks that I value is our workplace volunteering program. This program has allowed me to spend time getting to know my colleagues during working hours while volunteering to make an impact in the communities in which we live and work."
